

2010 PLTW Winter Training at Rochester Institute of Technology

R·I·T

DATES:

FRIDAY EVENING, JANUARY, 22 - SUNDAY, JANUARY 31, 2010

FOR:

Districts who hired new PLTW teachers at the end of summer or who have teachers who were unable to attend the summer training sessions.

COURSES TO BE OFFERED:

(Final course selections are dependent on sufficient enrollment)

Introduction to Engineering Design
(Design & Drawing for Production in NYS)

Digital Electronics (DE)

Principles of Engineering (POE)

The course (9 full days) content will be the same as in the summer training sessions. In order to complete the full curriculum, the course runs nine **consecutive** days, including weekends. Individuals who successfully complete training will receive a certificate of completion. These courses also qualify for RIT graduate credit. The costs are eligible for aid for **New York State districts associated with a BOCES** if processed through Monroe 2-Orleans BOCES. **This does not apply to New York State City Districts and Regions or out-of-state teachers.**

TRAINING COSTS: Registration= \$2,250

Select one Plan:

1. Room/Board= \$950

2. Lunches Only= \$180

➤ **Registration deadline is Friday, January 8, 2010**
