# Build...

...a robot  
...a racecar  
...a fantastic future.

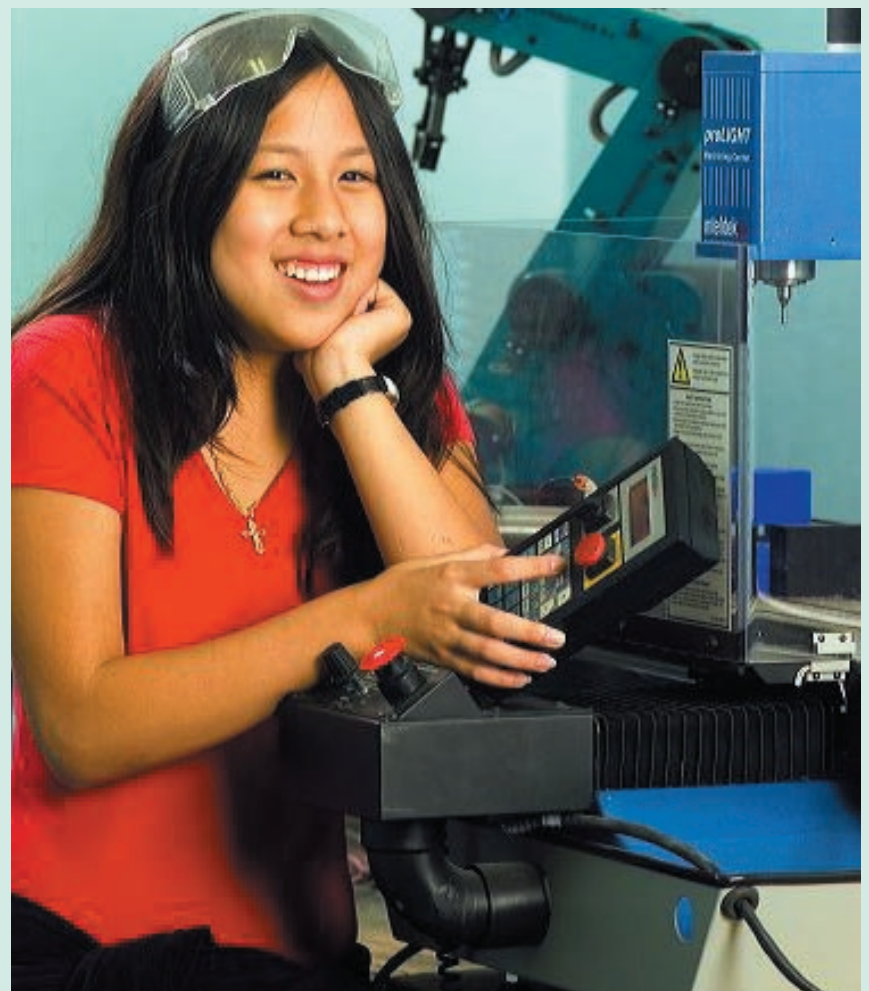

## Gateway To Technology can show you how.

If you like to build things and want to know how the world works, then these Gateway To Technology units from Project Lead The Way are perfect for you:

- Design and Modeling
- The Magic of Electrons
- The Science of Technology
- Automation and Robotics
- Flight and Space

Gateway To Technology is full of fun, hands-on activities—and it could be the first step toward your career in engineering or technology.

**Ask your teacher, counselor, or principal for more information about getting into Gateway To Technology.**

Esther Wong
