To Whom It May Concern:

Becoming a certified Project Lead The Way, Inc., ("PLTW"), instructor is a foundational component required prior to successful implementation of a PLTW Program. PLTW offers both in-person and online professional development training opportunities to educators seeking to become eligible to teach a PLTW course. PLTW is providing this letter to document the sole source designation for PLTW Professional Development offered by Project Lead The Way, Inc. The sole source designation has been based on a determination that there is only one source that can provide the professional development training based on the unique program and curricular requirements necessary to the PLTW program.

If you have any questions or concerns, please contact Training@pltw.org.

Sincerely,

Project Lead The Way, Inc.
