We are providing this letter to document the sole source designation of PLTW as the provider of the annual participation fees. PLTW participation fees are not available from any other authorized source. These fees are a required precursor for schools to access software and equipment needed for PLTW courses. They also provide schools with highly-customized and specific access to PLTW systems and support. This sole source designation is based on the determination that PLTW is the only source that can provide the 2023-2024 participation fee and all of its inclusive benefits.

If you have any questions or concerns, please contact productsupport@pltw.org.

Sincerely,

Project Lead The Way, Inc.
